A PUBLICITY LAW IS NOW PROPOSED

Requiring Under Oath Disclosure of Every Contribution and Promise of Contribution in a National Campaign.

Washington, Jan. 29.—Publicity of elections contributions and expenditures and the formation of organizations to promote reform purposes. The proposed law, an address issued last night by the national publicity bill organization. The address follows:
"For the purpose of eliminating by all appropriate methods the evils resulting from secret contributions and expenditures of large sums of money in elections, an association was formed in 1904, known as the National Publicity Bill organization and this address was authorized.
"The secret and corrupt use of money in the election of chief magistrate of a nation, its legislators and its state and municipal officers, is a dangerous menace to the institutions of a free people. The disclosure of money for such purposes enables the consolidated interests, by secret contributions, to dominate political organizations, depriving the many of their political rights to confer them in the few.
"It is confidently asserted that the first and most important measure of the passage of a national law, requiring the disclosure, under oath, of every contribution of money and every promise of money in national campaigns and in case of evasion, providing for exposure, detection and punishment substantially as set forth in the bill prepared under the auspices of this organization.
"This organization has the honor to promote the formation of similar organizations in every state of the union in order that the proposed national law may be supplemented by state legislation of like character and as nearly uniform as possible. This movement has the support of leading representative men of the political parties and of honest labor. It concerns the rights and honor of every citizen and the approval and active co-operation of all are earnestly invoked to carry this reform to a successful conclusion.

Towson, Md., Jan. 29.—The Rev. Matthew O'Keefe, pastor of the Roman Catholic Church of the Immaculate Conception, died yesterday of pneumonia, contracted while responding to calls to attend the sick. He was 78 years old. Father O'Keefe was the last surviving brigade chaplain of the Confederate army, having been chaplain of Mahone's brigade of the army of northern Virginia and a close personal friend of General Robert E. Lee and Jefferson Davis. Father O'Keefe made himself famous throughout the South by his work during the outbreak of yellow fever in Norfolk and Portsmouth in 1855 and in 1869 won the red ribbon of the Legion of Honor by his attendance upon the French frigate that put in at Hampton Roads.
